Beijing English teachers tour Doon campus

By Linda Smith

Twenty six English teachers from Beijing are visiting Doon College in the first of October's 4 exchanges. They arrived on Aug. 17.

They came to Doon to get information about English language teaching, as classroom and lab at Doon College. They have been in the lab at Doon College and are now in the lab at Doon College.

Doon College is a public school in Beijing. It is one of the best schools in Beijing. It is one of the best schools in Beijing. It is one of the best schools in Beijing.

The first part of their stay will be an introduction to the college and its facilities. They will be in the lab at Doon College and are now in the lab at Doon College.

FOR INFORMATION: DOON COLLEGE — Secondary school teachers from Beijing visit Doon campus Aug. 17 as part of a pilot project for cultural English language programs.

and they will spend the next few days in the lab at Doon College.

They will be in the lab at Doon College and are now in the lab at Doon College.

Canadian people are very friendly and speak English. They are very open-minded. It is easy to deal with Canadians.

They are very open-minded. It is easy to deal with Canadians.

It is a good idea to visit the college and see the lab at Doon College. They will be in the lab at Doon College and are now in the lab at Doon College.

KEEP 'EM ROCKIN' — The Rock and Roll Hall of Fame and Museum in Cleveland, Ohio has an extensive collection of rock and roll memorabilia. (Photo by Doug Koenig)

Rock and Roll Hall of Fame is a music lover's dream

By Doug Koenig

A museum in memory of the musical genius and Christian's goodness is set to open in Cleveland, a city of songs, guitars and drums and rocking rhythms. It's a rock and roll museum, and it's a place where you can see the most, the greatest, the best of the rock and roll world of rock and roll.

It's a place where you can see the most, the greatest, the best of the rock and roll world of rock and roll. It's a place where you can see the most, the greatest, the best of the rock and roll world of rock and roll. It's a place where you can see the most, the greatest, the best of the rock and roll world of rock and roll.

It's a place where you can see the most, the greatest, the best of the rock and roll world of rock and roll. It's a place where you can see the most, the greatest, the best of the rock and roll world of rock and roll.

But the museum is a place where you can see the most, the greatest, the best of the rock and roll world of rock and roll. It's a place where you can see the most, the greatest, the best of the rock and roll world of rock and roll.

It's a place where you can see the most, the greatest, the best of the rock and roll world of rock and roll. It's a place where you can see the most, the greatest, the best of the rock and roll world of rock and roll.

It's a place where you can see the most, the greatest, the best of the rock and roll world of rock and roll. It's a place where you can see the most, the greatest, the best of the rock and roll world of rock and roll.

It's a place where you can see the most, the greatest, the best of the rock and roll world of rock and roll. It's a place where you can see the most, the greatest, the best of the rock and roll world of rock and roll.

It's a place where you can see the most, the greatest, the best of the rock and roll world of rock and roll. It's a place where you can see the most, the greatest, the best of the rock and roll world of rock and roll.

It's a place where you can see the most, the greatest, the best of the rock and roll world of rock and roll. It's a place where you can see the most, the greatest, the best of the rock and roll world of rock and roll.

It's a place where you can see the most, the greatest, the best of the rock and roll world of rock and roll. It's a place where you can see the most, the greatest, the best of the rock and roll world of rock and roll.

It's a place where you can see the most, the greatest, the best of the rock and roll world of rock and roll. It's a place where you can see the most, the greatest, the best of the rock and roll world of rock and roll.
